No claim of ownership is made to the software components identified in paragraph 4 below.

Thorlabs, Inc. grants to the user of the _ThorImageLS_ (the "Software") the non-exclusive, worldwide right and license to use, reproduce, redistribute and prepare derivative works of the Software, in source and binary forms, solely in the field of research, subject to the terms and conditions set forth herein. Your use, reproduction, redistribution or modification of the Software constitutes acceptance by you of this license and the terms and conditions set forth herein. For purposes of this License, "Software" is the code originally authored by or on behalf of Thorlabs, Inc. and all rights of Thorlabs, Inc. under the copyright laws of the United States to such portions of the code that may constitute derivative works or compilations.

1. Redistributions of source code must retain the above copyright notice, this list of conditions and the following disclaimers.
2. Redistributions in binary form must reproduce the above copyright notice and the Uniform Resource Identifier for this License with the distribution.
3. Neither the name of the copyright holder nor the names of its contributors may be used to endorse or promote products derived from this software without specific prior written permission.
4. The Software incorporates the following component software programs, and use of the Software is subject to the terms, conditions, restrictions and notices contained in the license agreement applicable to each such component software, which are incorporated herein by this reference:
